

Reception Knowledge Organiser Spring Term 1 -

Key Vocabulary	
special	Something or someone that is important to us
celebrate	To do something special or fun for an important event
faith	Belief and trust in and loyalty to God.
environment	The environment is everything around us. All our surroundings including the air, soil, water, plants, and animals make up the environment.
oral health healthy eating	Looking after our teeth and gums as well as giving our body a range of healthy food to help us grow strong

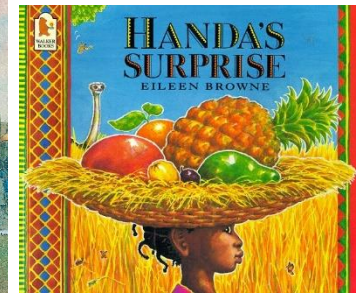

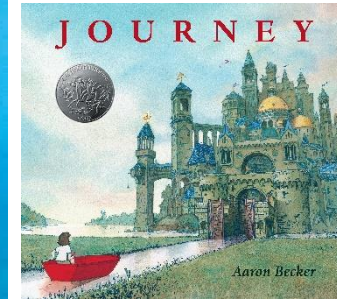

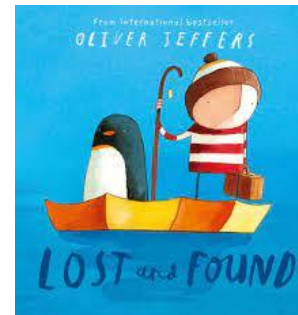

'The Blue Penguin' will help us to compare environments around the world

Educational Visit

We will be going to Woodcroft wild space to learn about our local area.

Our Key Texts

We will also be learning about why Christians believe that Jesus is special.

Key Questions

- How does winter affect the plants and animals?
- Why is faith important to Christians?
- How do people celebrate Chinese New Year?
- Why are oral health and healthy eating important?

I will be learning how to compare numbers, capacity and mass

I will be combining two amounts in Maths and learning about length, height and time.

I will be talking about how people celebrate Chinese New Year

I will be learning to identify and moderate my own feelings socially and emotionally.

Focus Season Winter

Big Question

What changes in the environment during winter?

Key Concept
Understanding why and how things change over time
