

Continents and Oceans

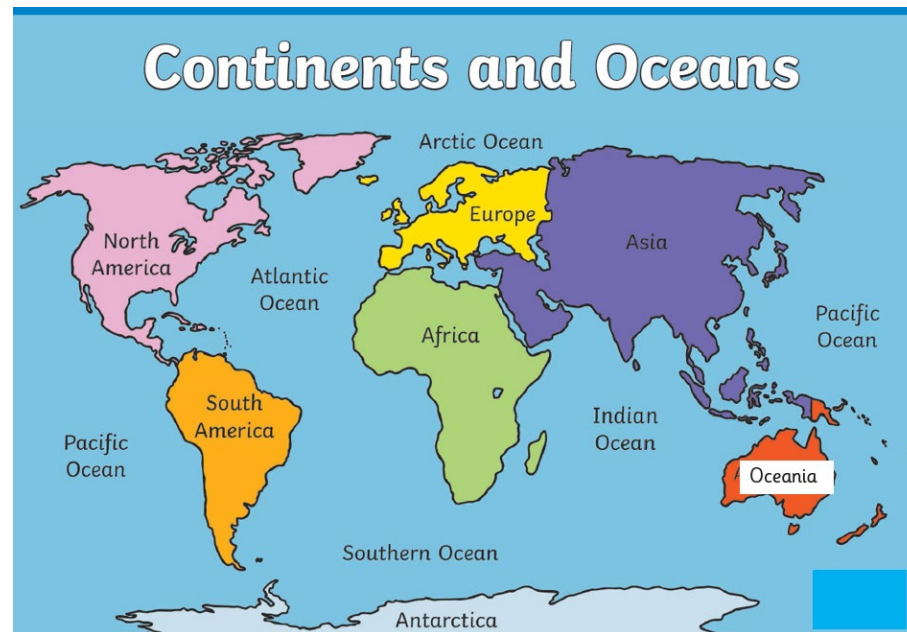

I Should Already Know

Where we are in the world (in England).

The four countries of the United Kingdom are England, Wales, Scotland and Northern Ireland.

To be able to name and describe the area I live in (e.g. Winchmore Hill).

To be able to describe a UK's coastal environment.

Sticky Knowledge

- To know that I live in the borough of Enfield, my county is Greater London, my city is London and my country is England.
- The seven continents of the world are: Africa, Antarctica, Asia, Europe, North America, South America and Oceania.
- The 5 oceans of the world are the Atlantic, Pacific, Southern, Indian and the Arctic ocean.
- Some continents are joined by land and others are separated by oceans.
- Know where UK is on a world map.
