

Dear parents

We are excited that every child in the school has a Times Tables Rock Stars account!

Go to:

<https://play.ttrockstars.com/login/60760>

and enter your child's login details given to them by their teacher.

When it comes to times tables, speed AND accuracy are important – the more facts your child remembers, the easier it is for them to do harder calculations.

Times Table Rock Stars is a fun and challenging programme designed to help students master the times tables!

More than that - It is personalised and the clever code behind the scenes works out which times tables facts each pupil is consistently taking longer to answer and then it gradually starts to present these facts more frequently until pupils have mastered them.

Their format has very successfully boosted times tables recall speed for hundreds of thousands of pupils over the last 8 years in over 14,000 schools - both primary and secondary - worldwide.

*Good news! You can now use the **Times Table Rock Stars app on your mobile or tablet**. It's a free download and available from the Amazon, Android and Apple apps stores by searching for "Times Tables Rock Stars".*

Children login with their usual usernames and passwords.

For most impact, remember to get your child playing little and often. TTRS recommend 3 minutes a day, four or five times a week.
