**ST PAUL'S CE PRIMARY SCHOOL**  
**STATEMENT OF BEHAVIOUR PRINCIPLES**

---

At St Paul's School, we believe that learning best takes place in a well-disciplined, caring and respectful environment. We therefore have high expectations of the pupils and of their behaviour. We expect the pupils in our care to respect all adults in school and in the local community. All adults within the school have a responsibility to maintain good discipline. As pupils mature, we encourage them to become increasingly independent in resolving conflicts together, through discussion and reasoning.

**Written Statement of Behaviour Principles**

- Every pupil understands they have the right to feel safe, valued and respected, and to be able to learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
- The behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in suspensions and exclusions
- Pupils are helped to take responsibility for their actions
- Families are involved in the handling of behaviour incidents to foster good relationships between the school and pupils' home life

The governing board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

This written statement of behaviour principles is reviewed and approved by the CSA annually.
