FOSPS AGM

A big thank you to everyone who joined us at our FOSPS AGM!

We would like to express our gratitude to last year's executive committee. They put in so much time and effort into raising funds for our school, and we can't thank them enough!

We now have a new committee stepping up for this school year, and we wish them all the best. Let's rally around them and make 25/26 the best year yet!

Thank you!
