St Paul's CE Primary School

Behaviour and Discipline Policy

Our Vision

Our school is one family, united in love and deeply rooted in our Christian values, where together on life's journey we flourish, striving for excellence in all that we do. Inspired by the transformation of St Paul, and enlightened by the glory of God, we will shine like stars to make the world a better place.

Our Core Values

Love, Forgiveness, Faith, Friendship, Hope and Peace.

**ST PAUL'S CE PRIMARY SCHOOL
BEHAVIOUR POLICY**

At St. Paul's School, we believe that learning best takes place in a well-disciplined, caring and respectful environment. We therefore have high expectations of the children and of their behaviour. We expect the children to respect all adults in school and in the local community. All adults within the school have a responsibility to maintain good discipline. As part of a child's all-round learning process, we encourage them to become increasingly independent in resolving conflicts together, through discussion and reasoning.

Rewards

Children who demonstrate good standards of behaviour and discipline are rewarded through a system of praise. This may be verbal praise, rewards, stickers, stamps or house points from the staff.

The above reward system is also combined with highlighting effort and attainment in work.

In order to create a positive working environment as a staff we will:

1. Have concern for the Christian nurture of our children and for their growing maturity and self-esteem.
2. Have high expectations of standards of work and behaviour from all pupils and recognise and praise good practice.
3. Show respect to and expect to receive respect from our pupils
4. Arrive before the class and begin on time.
5. Work to extend and motivate all pupils.
6. Insist on good standards of school uniform and appearance.
7. Match the work to the children's needs.
8. Encourage a good work ethic by use of (6) and good classroom management to ensure continuity of pupil involvement
9. Accompany classes when they are moving between buildings.

**ST PAUL'S CE PRIMARY SCHOOL
BEHAVIOUR POLICY**

	Have to reflect on the consequences of their behaviour with the class teacher	Miss breaks School based community service e.g. litter picking, weeding, tidying, clearing up the dining hall Speak to parent Incident form completed	
Dealt with by lunchtime supervisors	Class teacher will be informed	Parents informed, incident recorded and logged on CPOMs	Parents informed by phone and/or a meeting. Follow up support, if needed

Note: For pupils with Special Educational Needs, discussion with the SLT and SENDCO is essential. An individual behaviour plan may need to be created.

In the unlikely event of children needing to be excluded for a fixed period or excluded permanently, such decisions are the responsibility of the Head teacher or Deputy Head teacher, in her absence. The Head teacher would report such matters immediately to the Chair of Governors and to the governing body at their next meeting.

We believe that discipline should be a joint responsibility and prefer to work in partnership with parents, if there is a persistent problem. We will contact parents if we are concerned about persisting behaviour difficulties.

In extreme situations where a pupil is at risk of:

- *Injuring self or others*
- *Committing a criminal offence (including behaving in a way that would be a criminal offence if the pupils were not under the age of criminal responsibility)*
- *Causing damage or*
- *Engaging in behaviour prejudicial to maintaining good order,*

Staff may use 'reasonable force' to resolve a situation, in accordance with the Government document; *Use of Reasonable Force in schools*.

Reasonable force may include:

- *Physically interposing between pupils*
- *Blocking a pupil's path*
- *Holding*
- *Leading a pupil by the hand or arm*
- *Shepherding a pupil away by placing a hand in the centre of the back*
- *(In extreme circumstances) using more restrictive (Approach trained) holds, only if trained to do so*

**ST PAUL'S CE PRIMARY SCHOOL
BEHAVIOUR POLICY**

These restrictive measures will only be used in exceptional circumstances and parents will be informed of any serious incident involving their child.

Bullying in all forms, including cyber bullying, prejudice-based and discriminatory bullying

At St. Paul's we aim to build a school community where children live and work alongside each other, respectfully. However, we are aware that bullying takes place in all schools. As part of our PSHE lessons, we give children a clear understanding of what bullying is and the forms that it takes, at an age-appropriate level. We engage with national projects such as Anti-Bullying Week and we give children the tools to report bullying through staff members, knowing that it will be dealt with effectively. We have clear procedures outlined in our Anti-Bullying policy to manage bullying. Please refer to this policy for further details
