WHAT IS FOSPS?

We are a Registered Charity whose aim is to raise funds to benefit the children at St Paul's and enrich their education.

FOSPS consists of parents and teachers. The committee meet once a month (either on Zoom or in school) to discuss fundraising ideas and decide where the money would be best spent.

FOSPS NEEDS YOU!

None of our events can happen without the support of the school community. Support can come in many different forms:

- Join the committee and get involved in deciding what events happen & how
- Volunteer for a stint on a stall at the Christmas and Summer fetes
- Help from home in the evening by doing prep for events!
- Come along and support the events
- Make a donation, or give a raffle prize
- Match funding through your workplace, if available
- Easyfundraising: sign up for free and retailers such as Amazon & John Lewis will donate a percentage of the amount you spend
- My Nametags: raise money by purchasing name labels on their website (school ID 65744)
